

2017 Energy Solutions Rebate Program Member Application Form

▼ MEMBER INFORMATION

Energy Solutions rebates are available only for qualifying purchases and/or services. The availability of the Energy Solutions Rebate Program is limited and rebates will be processed on a first-come, first-served basis. When funds have been depleted, the Energy Solutions Rebate Program will no longer be available until the next year, pending board approval.

Members must submit this form and required documentation to be eligible for rebates within 60 days of the completion of construction and/or installation. Receipts for every rebate must be submitted with an application!

By signing this form, the member agrees the equipment listed on this form has been selected and installed in accordance with United Cooperative Services' Energy Solutions Rebate Program guidelines. Homeowners and/or contractor(s) understand that prior to issuance of payment, the equipment's efficiency rating will be verified and approved by a United representative using AHRI equipment directories. Homeowners and contractors also acknowledge there is a **\$1,200** cap on the total rebate amount per home. United reserves the right to conduct on-site inspections.

REBATE HOME TYPE: NEW EXISTING

CURRENT REBATE OFFERINGS

The following items are eligible for rebates under United's 2017 Energy Solutions REBATE PROGRAM and are based on individual pieces of equipment for new residential construction, and full replacement upgrades made to existing HVAC equipment.

▼ ATTIC INSULATION RETROFIT REBATE

- ▶ FREE ENERGY AUDIT required prior to installation for All Retrofit insulation Rebates.
- ▶ \$.02 per inch earned per square foot of installed insulation.
- ▶ Upon inspection, attic must have 8 inches or less of insulation.
- ▶ Example: 12 inches, less current insulation level in inches = inches eligible for rebate calculation.

Insulation Contractor Signature: _____

Is Home Heated with Electric Resistance Heat? YES ___ NO ___

Checklist for this rebate:

- * Energy Audit Before Insulation Install
- * Insulation Contractor Signature
- * Receipt for Insulation Install
- * Fill Out Member Information On This Form

▼ HVAC TUNE-UP REBATE

Residential members who own their homes are eligible for one rebate (up to \$100) per unit in 2017. Tune-ups must be performed by a qualified service professional and must include the following criteria: checking and correcting the unit's refrigerant pressure and tubing, checking and adjusting belt tension, cleaning and lubricating the indoor blower unit, replacing filters, cleaning inside the "A" coil, and checking the thermostat, wiring, and other electric parts. A copy of the itemized receipt from a qualified contractor, showing all work that was performed, must be submitted to United within 60 days of completion.

Technician Signature: _____

Checklist for this rebate:

- * Technician Signature
- * Copy of Itemized Receipt
- * Fill Out Member Information On This Form
